KURTULUŞ ÖZ

PHP DEVELOPER & SYSTEM ADMIN   www.kurtulusoz.com.tr

ABOUT ME

I have been working as a PHP Developer in the Information Technologies for ten years. In addition, I have transitioned to PHP development and DevOps processes for the past 6 years. In my last job, I ran the Minticity project, which was a German training portal, to the ci/cd processes the ci/cd and virtualizes the environment. Currently, at my current company, I am responsible for server management, PHP project development and running company projects to a Docker environment.
